R

Reach in/Cavity☐

What are your needs?

>

1

Built in fixtures☐

These products can be fixed into reach ins/cavities to provide permanent, robust fixtures.

>>

Sliding doors☐

Sliding units are ideal for confined areas with space saving, easy glide doors.

⌵

Hinged doors☐

Hinged units use spring loaded hinges for easy closing and tight, flush fitting doors.

What are you storing?

>

2

Hanging space☐

Units include quality chrome oval hang rails for hanging clothes.

⌵

Drawers☐

Units either include drawers or have allowances to add drawers with quality sliding mechanisms.

≡

Open shelves☐

Additional shelves can be purchased ready to install and customise your robe.

Plan it out!

>

How much space do I require for items of clothing that can be folded?
Do I want it on shelves or in drawers for more privacy?

How will I store more shoes?
Will I place them on the floor of the robe or will I require more shelves for them?

Do I have long coats or dresses that require longer hanging space?
Or do I require shorter hanging space only? [2 rows – one above the other]
